

Cells at Work! by Akane Shimizu (Completed 2021)

Hailed by doctors and educators for its fun and accurate depictions, Cells at Work! follows the spunky Red Blood Cell and cold-as-ice White Blood Cell as they navigate all manner of health problems from the inside out.

Follow the 37 trillion cells inside a human body, including Red Blood Cell, White Blood Cell, Macrophage, and, of course, the cute, little Platelets, as they face off against threats like cedar pollen, parasites, food poisoning, staph infection, and their ultimate nemesis, cancer. Twenty-four hours a day, 365 days a year, these tiny workers are doing their best to keep you moving.

Cosmos by Ryuhei Tamura (Ongoing)

When high school student Kaede is hired to use his uncanny ability to sniff out fact from fiction for Cosmos, an intergalactic insurance agency, he embarks on a journey that is out of this world... Kaede's search for a missing classmate leads to the shocking discovery that his friend is actually an alien in a human flesh suit. Grateful for Kaede's help with her case, cute and ruthless insurance investigator Rin headhunts him. Kaede's job interview leads to an epic battle on a commuter train, alien treachery, and a hidden spaceship. But before he can decide whether to accept the position or not, Kaede discovers another alien hidden in plain sight—one with a tragic story to share

Dr. Stone by Riichiro Inagaki (Ongoing)

Imagine waking to a world where every last human has been mysteriously turned to stone...

One fateful day, all of humanity turned to stone. Many millennia later, Taiju frees himself from the petrification and finds himself surrounded by statues. The situation looks grim—until he runs into his science-loving friend Senku! Together they plan to restart civilization with the power of science!

Star Wars Lost Stars by Claudia Gray (Completed 2019)

The Empire can be seductive, particularly if you're an aspiring young pilot...

Thane Kyrell and Ciena Ree both know this very well when they enroll Imperial Academy, eager to pursue their dreams. When Thane discovers the darker side of the Empire, though, and defects to the Rebellion, the pair's lifelong friendship will be put to the ultimate test.

Will Thane and Kyrell's relationship -- or even they themselves -- survive this galactic conflict...?
